Public Regulation Commissioner
Affidavit of Qualification

Pursuant to NMSA 1978 § 8-8-3.1, in order to be elected or appointed as a Public Regulation Commissioner, a person must certify that he or she meets certain requirements when declaring candidacy.

I certify that I meet the qualifications for the office of Public Regulation Commissioner by:

- Having at least ten years of professional experience in an area regulated by the commission or in the energy sector and involving a scope of work that includes accounting, public or business administration, economics, finance, statistics, engineering or law; or
- Having a total of ten years of combined professional experience as described in Paragraph (1), above, and higher education resulting in at least a professional license or a baccalaureate degree from an institution of higher education that has been accredited by a regional or national accrediting body in an area regulated by the commission, including accounting, public or business administration, economics, finance, statistics, engineering or law; or

I make the foregoing affidavit under oath, knowing that any false statement herein constitutes a felony punishable under the criminal laws of New Mexico.
